1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

We have been customers of Carolina Water Service for five years

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

We are concerned with the high rate of water service and these are the highest water rates of any area we have lived in - we have lived in over 8 cities throughout South and North Carolina and Alabama. We are concerned that there may be inefficiencies in the operation of the Water system that is driving the higher cost of this service. The 11.5% rate of return on the equity is way beyond any rate of return in this economy!!

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? * (This section should be completed.)

We will not be able to testify at the hearing as we will be out of town on the days scheduled.
